

j. Watershed Permit-Mark Yutrzenka is tiling land east of the golf course. The drainage pipe is planned to be installed under an existing dike. The installation will not compromise the dike as it is not needed with the diversion in place. **Motion was made by Rehder, second by Golden to grant permission to Mark Yutrzenka to install a drainage pipe at the dike. All in favor, Motion carried.**

10. Committee Meetings -Finance and Human Relations: Committee met to review staffing after the resignation of Bob Greer. Committee felt another bargaining unit member could be moved to that position and tasks rearranged in Sanitation so Public Works tasks are part of the responsibility. The Working Supervisor Grievance was discussed. It is really in the hands of the local bargaining unit. Meeting was recessed. Public Works met to discuss the county purchase of a city lot. It first must be determined if it is a residential or commercial lot. If residential, then the Planning and Zoning must address.

11. Future Agenda Item(s) -None.

12. Adjournment -**Motion was made by Rehder, second by Golden to adjourn at 8:25 p.m. All in favor, Motion carried.**
